

My Star

真如 詞曲

Go Go Go, go into your brightness.
Go Go Go, to that hope you bestowed.
Go Go Go, quell all despair, quell all
despair.
Go Go Go, shining heart, shining heart.
Go Go Go, to that hope, to that hope.

Oh, Lord Buddha. Oh, the star.
The Brightest Star in Samsara,
The Brightest Star in Samsara,
Oh Oh, Lord Buddha , Lord Buddha. Oh
Oh!

You're the brightest star in samsara,
samsara.
Splendid, Glorious, Shining,
My Buddha, my Buddha, my Buddha, my
Buddha,

Oh lord Buddha, Oh my Buddha,
You're my Star, You're my Star,
Oh my Buddha,
You are my Star, You are my Star.

Walk to the hope, walk to hope.

Walk to the light, walk to the light.

Let me be strong,

Let me be strong,

Let me be strong.

Let me be strong,

Let me be strong,

Let me be strong.
